Contents

Features

26 Adding Spice to *Flamin' Hot*

ASC Master Class alum Federico Cantini, ADF helps Eva Longoria make her directorial debut. "It's like we shared a brain, creatively," Longoria says.

36 Owen Roizman, ASC: Learning the Light

AC salutes the career of this influential cinematographer and Society member.

50 ASC Stills: Places

Society members share evocative photos of memorable locations that caught their eye.

68 ASC Stills: People

Images of individuals who made an impression on Society members.

84 Five on Photography

ASC cinematographers discuss the gear they use for still photography, and how those tools are employed to artistic effect.
