## Features

### 16 The Professionals: *The Killer* and *Ferrari*

Erik Messerschmidt, ASC discusses his work on two features about characters in crisis, with Michael Mann commenting on *Ferrari*.

### 32 *Napoleon*: The Intimate and the Epic

Dariusz Wolski, ASC and Ridley Scott offer their analysis of an impressively mounted motion picture that presents the French emperor and military commander in both private and public moments.

### 44 First Love in Focus: *Priscilla*

Philippe Le Sourd, ASC, AFC crafts evocative imagery tracing the arc of Priscilla Presley's relationship with Elvis.

### 52 Life Anew: *Poor Things*

Robbie Ryan, BSC, ISC and director Yorgos Lanthimos build a fantasy world to tell an outrageous tale of physical and spiritual rebirth.
