*(See detailed contents on the back page of each faculty/school identity sheet.)*

On behalf of Assiut University, I wish to express my sincere thanks to the Faculty of Biotechnology, Faculty of Engineering, Faculty of Nursing Science, Faculty of Science and Technology, Graduate School of Psychology, and the Office of the President for their kind cooperation and support in the preparation of this directory. It is hoped that this directory would be of some benefit to our readers and that it will serve as a valuable reference, as well as an encouragement to all the faculty members and members of the technology sector, faculty and others. It is our desire to extend the directory to all our students and faculty members.

It is hoped that this directory would be of some benefit to our readers and that it will serve as a valuable reference, as well as an encouragement to all the faculty members and members of the technology sector, faculty and others. It is our desire to extend the directory to all our students and faculty members.
